

NUISANCE BIO:

Bursting from the dark depths of the MIDWEST comes one of the most explosive hard hitting bands that has brought some of the biggest metal bands to the world (*SLIPKNOT, MUSHROOM HEAD, AMERICAN HEAD CHARGE, AFTER THE BURIAL, MUDVAYNE*).

Hailing from the dirty and dark streets of Minneapolis/St Paul Minnesota since 2005 explodes **NUISANCE! NUISANCE** brings you heavy hitting drum beats with the insane Rick Fisher, melodic and technical riffs by Suspense, deep bass/backup vocals from loose cannon Shaggs, mind blowing samples by the one and only D.J. Switch, and front man Vicious flows with dynamic range, big hooks and catchy lyrics.

NUISANCE signed with *SID Wilson* (#0 of *SLIPKNOT*) at Mach 2.8 Entertainment in December of 2013. Soon after playing the legendary *SXSW* (South by Southwest) Music Festival in Austin Texas, *Dirt Fest* (2014) in Birch Run Michigan with metal GODS and friends *KILL SWITCH ENGAGE. NUISANCE* was also on the Art of Fury Tour (2015) with *THE REAKTION* and the one and only *OTEP*.

In 2012 they released the 12 track album *KILL THE SILENCE* with two videos to follow for tracks "*PRIAPISM*" and "*THE MESSAGE*". Vicious "The album was written, produced, and recorded by ourselves. Keeping it self-made which very few bands can do. We pride ourselves in hard work and dedication to our art." A third lyric video for "*ANUNNAKI*" will be released soon. Vicious "The song is one of our more dynamic songs on *KILL THE SILENCE*. It's clearly about Dinosaurs {with a smile} this is one of my favorites off *KILL THE SILENCE*." **NUISANCE** also have another EP "*5 STAR*". Both *KILL THE SILENCE* and *5 STAR* are available on ITUNES.

Some of the bands that are a huge influence on **NUISANCE** are *RAGE AGAINST THE MACHINE, PANTERA, DEFTONES* and of course *SLIPKNOT!* You will definitely here some of these influences on the next **NUISANCE** album which they are currently in the process of writing to be released in 2016.

So be on the lookout for upcoming shows and the new album due in 2016. In the meantime

BE THE NUISANCE!!!
